

Farewell to our fabulous summer team!

FRANCES PERKINS CENTER

2016 Summer Exhibit Guide Lisa Schinhofen, Mount Holyoke College/Frances Perkins Center Intern Christina Li, Executive Director Michael Chaney and Development and Outreach Associate Chris Cash.

Summer 2016 was a busy one at the Frances Perkins Center, and it could not have been the smooth success it was without the invaluable support of our 2016 Summer Exhibit Guide Lisa Schinhofen and our Mount Holyoke College/Frances Perkins Center Intern Christina Li.

Lisa's energy, intelligence, and eye for detail kept our small exhibit very busy with visitors and lively conversation.

We wish Christina great success as she embarks on a bright career after she graduates from MHC in December. Christina's talents and skills will be an asset to any organization.

Thank you, Lisa and Christina!
